### ***Reasons For Allowance***

4. Claims 34-47, 50 and 54-57 are allowed over the art of record.
5. The following is an examiner's statement of reasons for allowance:

The art of record does not disclose, nor would it be obvious to modify the art of record so as to include the limitations a test circuit for testing an integrated circuit on a wafer, the test circuit formed on the wafer with the integrated circuit, the test circuit

comprising a variable ring oscillator circuit including a plurality of sub-circuits selectively coupled to the base ring oscillator circuit; and a control circuit to enable at least one of the plurality of switching elements to selectively couple at least one of the sub-circuits to the base ring oscillator circuit to produce different versions of the variable ring oscillator circuit, the test circuit conducts a separate test of the integrated circuit for at least one of the versions of the variable ring oscillator circuit.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
